Reference: Amended Year-End Report (11/23/10-12/31/10)

Dear Ms. Colucci:

This correspondence is in response to the Request for Additional Information (RFI) for the above referenced report.

Regarding the sum of itemized memo entries which are related to the RNC share of joint fundraising activity, the RNC has reported contributions on several reports and on multiple report lines that comprise these contributions. Memo entries have been reported on Schedule A supporting Line 11ai and on Schedule A line 11c over the time period from July 2010 through December 2010 on the respective periodic reports. We have amended the reports with memo text to identify the contributions as "Joint Fundraising" to facilitate the identification of memo entries that relate to this specific activity.

We have amended the Year-End report memo entries and added the memo text "JFC Contribution Memo" to identify the activity from the respective period.

I trust this response will meet your requirements; however, please feel free to contact me if you have any remaining questions.

Sincerely,

Anthony W Parker
